PROJECTS

Alpha Delta Pi Sorority Webmaster

AngularJS, node.js, MongoDB

umichadpi.com

- Created a content management system to improve the accuracy and timeliness of information on the website
- Designed an administrator dashboard for managing dynamic website content and to easily upload and tag photos

EXPERIENCE

Michigan Engineering

Programmer

May 2013 – Present

Integrative Systems + Design

Ann Arbor, MI 48104

- Developed a customized content management system—using Java, Turbine, Ajax, and jQuery—that allows the marketing team to easily publish and modify website content
- Wrote detailed documentation for the finished CMS and led training sessions for non-technical users
- Selected to attend Human Factors Engineering short course and received training in evaluating user interfaces, usability testing, and user-centered design

Blue Chip Partners, Inc.

Intern

Summer 2012

Farmington Hills, MI 48331

- Created interactive client PowerPoint presentation detailing the benefits of investing in companies with a history of regularly increasing their dividends
- Analyzed website analytics and reevaluated Google AdWords strategy
- Designed new sponsorship packet for the Chartered Financial Analyst Society of Detroit
